M319: AP Computer Science Principles   Name: _____

Chapter 1: Algorithms & Abstraction

For Loops   Date: _____ Teacher: _____

Robot Mazes: For Loops HW

- Download and open the maze, making sure to save it into its own folder.
- Write, copy, or screen snip a step-by-step algorithm below to solve the maze using multiple for-loops.
- Enter your algorithm into the .html file to double check that the robot reaches its goal as desired.
- Upload only this PDF to the Schoology assignment.

Algorithm: Write, copy, or screen snip your algorithm for solving the maze below.
